

LATITUDE™ UTILITY SINK

Inspired by the realities of life!

**STERLING**  
A KOHLER COMPANY

995-0

The innovative stepped ledge allows users to multitask with much greater efficiency.

Made of solid Vikrell material, and features the remarkably scratch- and stain-resistant Bond micro-textured finish.

## LATITUDE™ UTILITY SINK

Hard-Working Utility Never Looked So Good.

Today's utility rooms not only serve as versatile workspace areas, but they can also add style to your home. The Latitude utility sink, with its unique stepped ledge and solid Vikrell® material construction, combines multipurpose functionality with a refreshing design that complements individual tastes in décor. Its Bond micro-textured finish resists scratches and stains, and multiple installation options meet a variety of room configurations. The new freestanding model, crafted with steel legs and a silver finish, includes wire brackets that provide ample space for drying items without compromising sink accessibility. The Latitude sink by Sterling – modern utility for today's living spaces.

Latitude sink with stand
