

CARTHAGE™ KITCHEN SINKS

Inspired by the realities of life!

STERLING
A KOHLER COMPANY

11445

The unique, contemporary design lines reflect a handcrafted aesthetic.

Generous basin dimensions provide ample room for large pots and pans.

CARTHAGE™ UNDERCOUNTER STAINLESS STEELS SINKS

Unique Design Appeal for Modern Kitchens.

Superior craftsmanship. Lasting performance. Versatile styling. Today's kitchen sinks need to have it all, and Sterling delivers with new Carthage undercounter stainless steel models. Featuring contemporary design lines inspired by handcrafted sinks, as well as rounded basin corners, these single- and double-basin sinks offer a customized aesthetic with an easy-to-clean surface. The classic, understated characteristics of undercounter sinks enhance the look of solid-surface countertops and complement other stainless steel appliances. Additionally, SilentShield™ technology reduces noise and vibration, making Carthage undercounter sinks as quiet as they are stylish and durable.

FEATURES & BENEFITS

- Innovative design lines offer fabricated appeal
- Solid 18-gauge stainless steel construction
- SilentShield sound-absorption technology
- Stain- and corrosion-resistant performance
- Rounded basins ensure easy-to-clean surface

MODEL SELECTION

Double-Basin	11445	32" x 18" x 8¼"
