

KITCHEN SINKS made of Solid Vikrell® Material

Inspired by the realities of life!

STERLING
A KOHLER COMPANY

SMART DESIGNS FOR HARD-WORKING KITCHENS

When it comes to the kitchen, we believe in giving you more than good looks or functionality alone. STERLING® kitchen sinks crafted from solid Vikrell® material bring together high-gloss beauty, durability and smart design – an ideal combination for people who want great performance and style every day.

Perfect for kitchen environments where heat-resistant, tough surfaces are a must, sinks constructed of solid Vikrell material are strong and dependable. Color-molded throughout and surprisingly lightweight, these sinks install and wipe clean with ease.

SLOPE™

If you love the simplicity of contemporary design but worry that today's modern kitchens seem cold and uninspired, the Slope kitchen sink offers the perfect solution. With a low rim that rests nearly flush with the countertop, the Slope sink evokes the clean look of an undercounter sink in a warm, inviting design.

- Divider directs water overflow into the second basin, keeping counters dry
- Ultra-low rim profile offers a sleek, contemporary look
- Strong solid Vikrell material resists chipping, peeling and cracking
- Extra-large 9"-deep basin

BREEZE™

Dynamic, fresh design brings real, affordable style to your kitchen. Breeze kitchen sinks feature exciting contemporary elements that not only create a clean, crisp look but also give you more room to work. Keeping pace with today's active households, Breeze kitchen sinks deliver great value in a unique design.

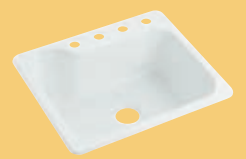

- Tightly angled corners increase usable basin area
- Strong solid Vikrell® material resists chipping, peeling and cracking
- Installs with ease requiring only caulk
- 8" basin depth

MAXEEN™

On-the-go homeowners require heat- and scratch-resistant kitchen sinks that easily withstand the wear and tear of daily life – sinks crafted of hard-working solid Vikrell material. Maxeen kitchen sinks deliver versatile style and tremendous durability. That adds up to value you can depend on.

- Solid Vikrell material is lightweight and easy to install
- Available in a range of colors to complement any décor
- Easy-to-clean high-gloss finish
- 8⅜" basins
